

199M mobile visits

Accessing care wherever you are is important to you, your family — and to Kaiser Permanente.

In 2018, 64 percent of all visits to **kp.org** were from mobile devices — nearly 199 million visits. Our members can use their KP mobile app or mobile browser to:

- Make and cancel appointments
- Check prescriptions and order refills
- Review lab and test results
- Send secure messages to caregivers
- Find medical facilities
- View and pay medical bills

If you're a member of Kaiser Permanente, download the app today!

You can [download it on the App Store](#) or [get it on Google Play](#).
