

Top-rated

Medicare website

Our Medicare health plan website — [medicare.kp.org](https://www.kaiserpermanente.org/medicare) — is rated among the top Medicare websites for providing consumers with an easy, positive and high-value experience.

HealthMetrix, an independent research firm, analyzed 50 features of 160 Medicare Advantage websites for Medicare WebWatch national certification in 2018.

Out of 160 websites analyzed, Kaiser Permanente's site is among only 9 to earn "top benchmark" status, the highest rating — a designation that we have received 6 years in a row.
