

More 5-star Medicare plans

than any other care organization

If you want the highest-rated care from your Medicare health plan, look to Kaiser Permanente.

And each of our Medicare plans is rated highest in regions where we provide care.

Altogether, our plans outperform nearly 80 percent of all Medicare health plans in the nation.

How'd we accomplish so much? By constantly striving to achieve our mission — to deliver high-quality, affordable care to you and your loved ones.
